# Over the Fence....

For those vehicle drivers who are unaware, there is a pedestrian crossing going from the front of IGA to the CO-OP Café. This is used quite often and causes danger especially for older people who are trying to maneuver their way around when vehicles are parked over it. PLEASE KEEP THIS AREA CLEAR

The CO-OP Café has a new menu for those who want to try something different. It is a great place to drop in for a coffee and a chat and meet up with people you haven't seen for a while.

The unveiling of the new artwork at Koolberrin Lodge will occur this week. This painting has been hung in the Day Room to brighten it up and give the residents a pleasant view. We look forward to a write up next week.

Richard and Wendy Keane recently had a welcome visit from daughter Shelley for 2 weeks.

While she was here they were able to have a Family Day organised by the owners at the Newmont Boddington gold mine where son Nic works and a very interesting tour was had. Shelley has now returned to Wisconsin where the winter time temperatures have been as low as minus 25. Needless to say she enjoyed the sunshine while here

For those who like to contribute to charity, Lotto is now available at IGA. You may even win something when you purchase your ticket.

A familiar face has been popping up on our commercial channel television screens. The lady with the sun visor and grey hair in the advertisement encouraging people to have their flu vaccinations is Jenny Murphy (Lethlean). Jenny is at present home recovering from a knee replacement operation.

## **HISTORICAL SOCIETY ADDITIONAL NOTES**

A visit was made by the Historical Society to the Year One Class at the School on May 11<sup>th</sup> to discuss old items on loan from the Museum. The research done by the class was excellent and the questions asked were very thoughtful. We look forward to the follow up of this visit at the Parent Night in June. Thank you to Mrs Lines for your invitation.

## HISTORICAL VISIT TO

### THE WILKINSON FARM

Approximately two months ago the Historical Society was approached regarding the location of the Wilkinson Farm at Mt Walker. The first reference was the Shire rate book 1929/30 which yielded the payment of rates by Jack Wilkinson as well as the location number. With much assistance from Teresa Cousins at the Shire, we found that the block is now part of the Della Vedova Farm and this was confirmed by Charlie and Tammy.

Jack and Mary farmed the block during part of the 1920's up until 1940. They had two daughters Olive (recently deceased) and Beatrice (Roberts) who reached ninety years in April. In 1940 the farm was sold to the Metcalf Family as Jack took up a position with the army. He was also a veteran of the First World War and served at Gallipoli.

To mark the occasion of the birthday, Beatrice's daughter and son in law, Helen and Terry Berryman wanted to make this visit for their mother to relive some of her earlier memories. Beatrice had been back once with her mother and sister during the 1980's.

As Charlie was unable to be with us on Friday, Kyle acted as guide and did a wonderful job, not only in taking us to the homestead and other points of interest but in answering many farm related questions along the way. He even treated us to coffee before setting out. One recollection mentioned by Beatrice was that when her father added a small extension to the house, in making the blocks, he placed a beer bottle in the frame and poured the cement mixture around it. Sure enough when we found the remains of the building the bottles were evident in the exposed sections of the wall. There were two nearby dams one in which Beatrice almost drowned as a four year old. Her parents were alerted by the frantic barking of the bedraggled dog which ran and tried to drag her father who had just come in to spell the horses.

After the house visit we drove to a rocky outcrop where Beatrice remembered going with the family and sometimes visitors, to splash about in the water left by good rains. She showed us some excellent photos of this activity.

Another highlight of the visit was that Hazel Toovey remembered that when the Wilkinsons came to town to shop, Beatrice and Hazel's sister Barbara met up around their house. There were shops adjacent to the present day Roadhouse and the French Family home was very close. Hazel joined us at the History Centre on Thursday and she and Beatrice relived many memories. Thank you Hazel. This added another dimension to a very happy visit.

We now have in our possession a ledger from the family in which are recorded the expenditure and income for part of the time they lived in the district.

Thank you to everyone involved in making this exercise so successful.

## **NAREMBEEN GOLF CLUB**

On Wednesday the Ladies played a Par round for the Joan Cusack Trophy.

It always happens when it's your trophy..... You come in with a good score.

Joan had a +2 which is a great Par score. Good on you Joan.

She "willingly" gave her Trophy to Carol Currie with a -2. Well done Carol.

Carol won on a count back from Miranda Noack who was Runner up.

Other good scores were Maxine Miolini, Anita Cowan and Kellie Mortimore all with a -3.

Sunday saw a big field of Men again.

18 players came along to play a Stableford round for the Danny Gray Trophy.

I think they all come along to discuss when it's going to rain again! Best therapy.

It's back to the old boys showing form again.

Robert Hayter was the Winner with 40 pts. Very happy to pick up Dans money but even happier to get a couple of balls from some older fellas!!

Sam Bald has got the gist of this game. A new golfer and came in with 39pts for Runner up.

Well done Sam. Might have to play off less next week though!

Other good scores were Dan Gray 38, Aaron (Azza) Lyon 37, Damon Hayter and Rob Miolini 35pts.

It was great to have a few Footballers up for a whack later in the day.

They had a great win the day before.... defeating Hyden/Karlgarin.

The Ladies also played a Stableford.

Joan Cusack continued on in good form and came in as the Winner with 37 pts.

Julie Hayter was Runner up with 36 pts and Carol Currie also got a ball with 32 pts.

Rumour has it that in the Ladies comp there were 2 shots that were going to be really good.

I guess they have an excuse as they are the two oldest members of the Ladies Club.

Pity really as Joan could have had 38pts and Anita could have had 2 putts instead of 3!!!

Into the Windy Pot.

So what's happening next.

On Sunday the Men will Play the Foursome Championship.

Get your partner organised as this is always a great afternoon especially when you put one far into the bush and don't have to worry about getting it out. Most times you need a partner with a sense of humour.!!

Subs are all in. Thankyou, Thankyou.

### Preparing Students for a Changing World

Firstly, apologies for not having the Newsletter out on Monday, but I have been in Perth since last Wednesday May 10 2023 and didn't get back until after 7pm last night. All four days were school business, two days of the Wheatbelt Principal's Conference, followed by two days at the Quality Teacher Strategy Lead School induction days. The last two days I was joined by our QTS team members, **Joey Cheetham, Felicity Cowan and Emily Jones**. At this event, we discovered that the selection process for becoming a Lead School was quite rigorous, with data across all aspects of the school being used to give the selection panel 55 schools that are **highfliers**. All 55 schools then went through the interview process and 25 Lead Schools were selected. So, although it may take some of our time, it will also see us build on our own staff's expertise as it allows us to use the funding we receive for professional learning opportunities such as Impact Coaching. We are still not 100% sure of where we go from here to assist others in improving the quality of teaching within the system, but we are on our way to coming up with our plan

### CULTURE ... WE HAVE IT, WE NEED TO KEEP IT! IT IS A PARTNERSHIP

I always come up with a few priceless quotes from PL that resonate with me and this one does:

#### 'CULTURE EATS STRATEGY FOR BREAKFAST'

The meaning of this is obvious, culture is the most important aspect of a quality school, if you don't have a positive culture, one based on respect, trust, and high expectations of all school community members, you will not get quality teaching. We have that type of culture now, and it is up to every one of us, staff, parents, and students, to maintain our standards and ensure that we are working together to have the highest of expectations of our students in every aspect of their growth. If we lower the bar, if we allow small behaviours to creep back in, if we don't expect our students to complete homework and review for tests, if we let them choose to pull out of tough events because they don't like them, or are not good at them, then what sets us apart will be lost. **Culture eats strategy for breakfast, and the development of our amazing culture has been the result of commitment by all, so to you all, do not lower that bar and make sure that we are all accountable to each other to maintain our standards!**

### NETBALL WA WHEATBELT/GOLDFIELDS 2023 WEST COAST FEVER HIGH SCHOOL CUP

Last Thursday May 11 2023, eight of our Year 7 - 10 girls headed off early to Northam to contest the annual Wheatbelt/Goldfields High School Cup. We have had success in this in the past, and once managed both Year 7/8 and Year 9/10 wins, but this year we thought we might go with 'we are in a rebuild!' How wrong we were, our group of girls, four from Year 9/10 and four from Year 7/8, contested the Year 9/10 division on the day and went through the day **UNDEFEATED!!** Congratulations to all of the players on a great day out!!

#### Results:

Narembeen 12 defeated Central Midlands SHS 3

Narembeen 23 defeated Dalwallinu DHS 2

Narembeen 22 defeated York DHS 2

Narembeen 25 defeated Cunderdin DHS 5

Narembeen 20 defeated Merredin College 10

Narembeen defeated Kalgoorlie Boulder Community High School by 2 (sorry I don't know the actual score!)

**Well done on bringing home another cup and a huge thank you to the following:**

**Anita Parsons:** for both driving some of the girls to Northam and Coaching the team to the great win on the day. Coaching is a hard gig when working with adolescents, because we all know they already know everything, so cheers Neats for your hard work.

**Sarah Kuhne-Munroe:** for umpiring for us all day. Your efforts for our young netballers is greatly appreciated.

**Joanne Cheetham:** for both driving some of the girls to Northam and managing the side and scoring. Once again, we thank you for giving up your admin time to transport and support our girls.

**The Team:** Take a bow girls, a great day representing your school in exemplary style!

**Back row:** Angela Andrews, Mia Parsons, Temprence Collard, Wren Cheetham and Cheyenne Cummins

**Front row:** Qei-Marha-Lei Brown, Xhiarn Brown and Clara Jones

## NOAH SMOKER IN THE FINAL CUT AS A TRAIN ON!

Congratulations to our pocket rocket athlete Noah Smoker who has been selected as a train on for the 12 & Under State Boys Hockey team. Noah thoroughly deserves this recognition, and we know he will keep giving 100% to his development. We are very proud of you Noah 😊.

## DO IT FOR DOLLY DAY '23

On Friday May 12, our students participated in Do it for Dolly Day. This is a great initiative supporting anti-bullying whilst spreading kindness. It's an important reminder to break the silence, be kind and speak up even if your voice shakes. Thanks to **Miss Georgia Miller** for organising the day, to all the children and staff who wore an item of blue clothing and donated a gold coin, we raised \$227.50. Amazing effort!

TEA & TIARAS MORNING TEA 😊

Last Thursday we celebrated our beautiful Mums and Grandmothers with a special Tea and Tiaras Morning Tea in the nature play area. Our Mums and Nannies looked fabulous in their tiaras and fancy hats, and the kids were so excited to have the special ladies in their lives join us for a cup of tea and some treats prepared by the kids and teachers. Each child chose a special teacup for their mum to enjoy their tea, which they then potted a small succulent in to take home. Lots of cuddles and kisses were shared and we all agreed it was a lovely morning.

# BEHIND THE GOALS

20/05/23

## **KHATS Juniors 3 def Narembbeen Juniors 0**

On Saturday, we travelled to Hyden, we have never played Hyden before, so we were excited to verse them but unfortunately the weather was cold and foggy. We started with high spirits and would not let that ball go through the goals. After the second quarter, we were all tired out and that gave Hyden a chance which they took it and scored 3 goals in the third quarter. Even though they were winning 3-nil we pushed through and at the last few moments of the 4th quarter we were awarded a short corner, then the whistle blew. We were all ready, Noah was ready, he passed it out to Lyla who passed it to Jack. Then Jack shot it but rebounded and Noah grabbed it and tried to shoot it but it rebounded out of the field. We played an amazing game as a team and thank you to Lyla for being our captain for the day.

(Jack Wanless)

## **Narembbeen B Grade 0 drew KHATS B Grade 0**

We were a bit nervous this week as we faced an unknown KHATs team in Hyden. Coach Nat had done a bit of background research (Facebook stalking ) and assured us even though Hyden had had such a good coach a few years ago (yep Nat had coached hyden previously) that if we concentrated on a strong passing game we would be fine. Which was good news considering we were missing some of our younger players who we rely along pretty heavily to run through the middle (right Sho?) The game was well fought and pretty even. Some good connections and strong passing gave us plenty of opportunities on goals but unfortunately we couldn't convert any. A strong and experienced defence line and attacking goalie (thanks Caz) kept the score line to nil all. Thanks to Sarah Latham for coming back to play for us and running hard through the middle (and occasionally being so committed she ended up on the ground-no judgement from me) and to all our A graders who filled in - Bon, Han and Kylee - thanks for being willing to run out two games on a very hot day! Special mention to Noah B who's confidence improves every game, and Aden Smoker who helped us out this week, having a run at inner, centre forward and wing. And to the rest of the team, thank you for running hard all day, let's keep up the positive talk and continue to work hard as a team.

Team- Carissa (C), Sho (VC), Kim (VC), Kara, Fabs, Sarah, Bon, Han, Nat, Janelle, Noah B, Jess, Aden, Prue, Caz (G)

### **Narembbeen A Grade 1 def KHATS A Grade 0**

Round 5 gave us a beautiful day for hockey, as we headed to Hyden to play the KHATS. After watching our juniors and B graders play, we knew the field had some rough patches and made for a bouncy ball, meaning our trapping would need to be on point.

We started well, attacking the ball and pushing forward. There was some beautiful passages of play, teamwork showing with 4+ passes between one another. We also showed great hunger in our attacking D, with plenty of bodies on those goalie pads, looking for second and third attempts.

While scoreless in the first quarter, we were able to score in the second. A beautiful clean hit from Emma Miolini off a short corner found the back of the goals.

This week we had focussed on our press at training, and the benefits of this showed from the very beginning of the game. We were able to hold our space in defence, making it hard work for the KHATS to get their free hits through. Something we will continue to focus on throughout the season.

The KHATS pushed forward in the last quarter, putting some pressure on our defence. But we were able to hold them out, clearing the ball and avoiding too many shots on goal. Sun still shining, we finished the game with a 1-0 win. Top job ladies!

(Kylee Slade)

### **KHATS Men 5 def Narembbeen Men 0**

This week we traveled out to Hyden to play against a team that we hadn't seen in years. It was a warm day for playing hockey especially when we were missing a few key players. The first quarter set the tone for the match, we played a good quarter but managed to concede a goal putting us behind early. The second quarter was well fought, we were unable to get one back, but kept them from scoring. The third quarter was similar to the first, Hyden scoring another goal and mounting the pressure. The aim for the fourth was to leave nothing in the tank and everyone was cooked by the final whistle with the score sitting at 5-0.

Special thanks to everyone who filled in and made having a game possible. Harry voted player of the match.

(Wesley Taylor)

With a third of the season done and dusted we have our first ladder published! Well done Narembene for three out of four teams on top.

Juniors sitting second which is excellent! Let's keep up the hard hockey for the rest of the season!

## Tough

One of the reasons we love footy is that it is a contact sport. The old gladiatorial aspect of a game where players sacrifice their own well being for the good of the collective has always been something that has drawn the interest of the masses. When two good sides face off against each other this physicality is mixed with a high level of skill and a high level of passion in the contest. The top of the table clash between the Hawks and Hyden/Kalgarin on Saturday was an example of exactly this. It's why we love it.

It was hot in the kitchen early as the two competition leaders wrestled for the ascendancy early on Saturday. The Hawks looked to have the Saints for midfield spread and had they kicked straight they would have been able to create some separation on the scoreboard. However, to the credit of the Saints, they were willing to work hard without it and would go in only eleven points down. They had held on like good sides do.

In the second quarter the Saints responded as they were inevitably going to do. With Alex James firing up the midfield they kicked four goals in a dominant quarter. They looked to have the Hawks for pace and for smarts. Where the Hawks got sucked into the footy or caught watching the contest the Saints spread from the contested and held footy to make it easy to move it through what is a small playing surface. It was high class country footy.

Down by a goal at the long change, the maroon and gold needed a spark, needed to respond. They found it in three places. Jake Solomon continued a fine season as he was sent up forward to provide a target and duly started to take contested marks and kicked three of the four goals for the quarter. Connor Spinks got to work through the middle of the ground, stepping up to win contested footy on a day where there was a lot there to be won. Then finally Tommy Baldwin showed his class again. Coming off half back he became an attacking weapon with his ability to defend the footy and use it in a punishing manner the. On the back of these three the others lifted, and a six-point deficit turned into a three-goal final term lead.

As is always the case out at Hyden, the Saints were never beaten until the end. They responded in the last with James again leading the way. The midfield battle was tough and willing and the ability of the respective defences to rebound vital. Jimmy Kennedy started to have an influence of his wing while Chris Shaw and Heath Spinks followed the lead of Baldwin and attacked off half back. It was an arm wrestle to the end with the Hawks being made to earn a tough four goal win.

Hawks                      9-9                      63

Saints                      6-3                      39

Best: C. Spinks, Baldwin, Solomon, Kennedy, H. Spinks, Shaw

It's Maverick and Goose...

Top Gun is a great movie. The first one. The second one is good too but the first one is well.... the first one. In the first one there is a scene where Goose laments the fact that the course instructor is their opponent.

'Holy #\$% it's Viper' he says. Maverick's response is poignant for its relevance to the Narem Ressies. His response was:

'Yeah, I'm sure he's saying Holy \$%^ it's Maverick and Goose'.

Whether he was or not is not the point of course. The point is that no matter who was coming he was up for the fight. As the Ressies were out at Hyden on Saturday.

With just the bare eighteen, the boys negotiated a sixteen a side game against a Hyden side who had 21 players from which to work. They had started their year well and were sitting second on the ladder. So, the challenge was before the Ressies as they started with, the breeze on a beautiful day for footy.

Quickly the boys were on top, dominating field position and creating opportunity after opportunity for their forwards. Young Will Crane, Cheetham's new workman, was quickly into the action as a roaming full forward. He was joined in this role by Pete Delavale who unloaded a huge goal from outside the arc to put the second one on the board for the Ressies. Bob Kennedy was leading a dominant midfield and the boys were clearly on top.

Into the breeze the midfield met the challenges of a tough Hyden unit and continued to create fast scoring opportunities. Kyle Della was marshalling troops off half back and Trent Davis was showing his class with some attacking decisions from the same area. The story of the day however was Danny De Gouveia.

De Gouveia is originally from, the easter cape of South Africa and works out at AFGRI, in only his third game of footy he showed that he was not only a quick study but tough and skilful. He attached off half back with some brave choices by foot which were executed with impressive skill. He pressured well and nearly took the mark of the year to date. Although the dominance the Ressies got off the back of efforts like this was not translated to the scoreboard, it was dominance none the less.

In the second half the Ressies weren't allowed to really hammer home their advantage thanks to some determined defending from what were good opposition. However, the ball once again spent the majority of the half in the maroon and gold half and rarely got past halfway. Again, to the credit of the Saints, when it did, they scored but the Ressies held sway.

Starting the game with only eighteen does ask for some special efforts from the boys in the jumper. Individually and as a collective you need to stare down the opposition that is coming and refuse to yield. It was this kind of effort that the Ressies boys gave on Saturday and this kind of effort that earned them a well-deserved win. Just like Maverick and Goose.

Ressies	7-12	54
Hyden/Kalgarin	2-3	15
