Purpose of Report

- Executive Decision Legislative Requirement

Summary

For Council to consider changing its previous resolution 7630/23 and instead resolving to first pursue negotiations regarding renewing the joint venture agreements that it holds with the Department of Communities (the Department) and, in the event that renewal terms that are mutually agreeable can not be reached then opting to dispose of the properties to the Department.

Background

The Shire of Narembeen is party to 3 separate joint venture agreements with the Department as follows:

Street address	Number of properties	Agreement ending
31 Currall Street, Narembeen	3	31 May 2025
33 Currall Street, Narembeen	4	15 September 2044
24 Doreen Street, Narembeen	2	10 September 2029

From prior correspondence with Shire staff when investigating disposing of the properties to the Department the advice was that the Department intends to deal with all properties simultaneously, regardless of the expiration date. At the time of writing there has been no confirmation by the Department regarding the intended approach to renewing the agreements.

Council retains a nominal and immaterial ownership stake in each property owing to the market value of the land utilised at the time of development. The equity split between Council and the Department is as follows:

Street address	Number of properties	DoC ownership %	Council ownership %
31 Currall Street	3	90.10%	9.90%
33 Currall Street	4	94.10%	5.90%
24 Doreen Street	2	83.17%	16.83%

At the May 2023 Ordinary Council Meeting it was moved by Cr Hardham and seconded by Cr Milner, by a vote of 7 to 0, to dispose of the joint venture properties to the Department under the terms of the joint venture agreement (minute reference 7630/23).

Because action was taken following the initial resolution, as defined by 16.3 of the *Shire of Narembeen Standing Orders Local Law 2020*, this resolution is accompanied by a statement of the legal and financial consequences of revoking the previous decision of Council.

Comment

Following recent deliberations by Council, the prevailing sentiment has shifted towards renewing the joint venture agreements with the Department and retaining the properties. As action has already been taken based on the previous resolution, it is required that Council 'change' the previous resolution.

It may be that through the negotiation process renewing the agreements cannot be done in a manner that align the Department's and Shire's interests. For example, Council will note the officer's recommendation caps the term of any renewal as ending on or before 31 December 2035 which has been determined based on previous discussions with Council. In the event of an impasse, it will be appropriate to further authorise the Chief Executive Officer to recommence negotiations regarding the disposal of Council's equity in the properties.

Statutory Implications

Local Government (Administration) Regulations 1996

Regulation 10 – Revoking or changing decisions

1. If a decision has been made at a council or a committee meeting then any motion to revoke or change the decision must be supported —
 - a. in the case where an attempt to revoke or change the decision had been made within the previous 3 months but had failed, by an absolute majority; or

3. If a decision is made at a council or committee meeting, any decision to revoke or change the decision must be made by an absolute majority.
4. This regulation does not apply to the change of a decision unless the effect of the change would be that the decision would be revoked or would become substantially different.

Shire of Narembreen Standing Orders Local Law 2020

Part 16 – Revoking or Changing Decisions

16.1 Requirements to revoke or change decisions

The requirements to revoke or change a decision made at a meeting are dealt with in Regulation 10 of the Regulations.

16.2 Limitations on powers to revoke or change decisions

1. Subject to clause (2), the Council or a committee is not to consider a motion to revoke or change a decision:
 - a. Where, at the time the motion is moved or notice is given, any action has been taken under clause 16.3 to implement the decision; or
 - b. Where the decision is procedural in its form or effect.
2. The Council or a committee may consider a motion to revoke or change a decision of the kind described in subclause (1)(a) if the motion is accompanied by a written statement of the legal and financial consequences of carrying the motion.

16.3 Implementing a decision

1. In this clause:
 - a. **Authorisation** means a license, permit, approval or other means of authorising a person to do anything;
 - b. **Implement**, in relation to a decision, includes:

 - ii. Take any other action to give effect to the decision; and

Financial Implications

The original resolution of Council noted the potential to realise Council's share of equity (estimated to be \$150,000) in the properties after incurring costs for valuations and legal fees, as required by the terms of the contracts. The timing was specified as being unknown, due to uncertainty over the length and complexity of the process.

Similarly, there are doubts over the timing of any costs to renew the contract though presumably there will be some minor legal fees incurred to review and advise on any changes to the agreements. Changing the previous decision may not allow Council to realise its share of equity in the houses and will commit Council to ongoing costs associated with the management and maintenance of the properties whilst receiving the rent as income.

Officers Recommendation – Item 13.3

That Council:

1. by simple majority, authorise the Chief Executive Officer to undertake negotiations with the Department of Communities to renew the joint venture agreements for 31 Currall Street, 33 Currall Street and 24 Doreen Street for a term expiring on or before 31 December 2035, with other terms and conditions to be negotiated by the Chief Executive Officer, at their sole discretion, provided that Council is regularly updated of the status of the negotiations and given the final draft of the contract to review and endorse.
2. by simple majority, authorise the Chief Executive Officer to undertake negotiations with the Department of Communities to dispose of Council's equity in 31 Currall Street, 33 Currall Street and 24 Doreen Street in accordance with the terms of the respective joint venture agreements if, at the Chief Executive Officer's discretion, negotiations to renew the agreements are not proceeding in a satisfactory manner or otherwise the best negotiated terms and conditions are not sufficiently favourable to the Shire of Narembeen, provided that Council is regularly updated of the status of the negotiations and given the final draft of the sale contract to review and endorse.

Purpose of Report

- Executive Decision Legislative Requirement

Summary

For Council to consider a proposed budget amendment for \$25,000 for capital expenses to instal new vanities and toilets to the bathrooms of 16 Hilton Way in addition to other minor quality of life improvements to the fixtures of the property.

Background

After several revisions to Council's plans, it was decided that 16 Hilton Way would be retained, possibly as long as into the medium-term. Subsequently, as part of an overall strategy to attract new residents/workforce, it was decided to lease the house to Regional Early Education & Development Inc. for use by one of their Child Educators to address the lack of available childcare in town.

Owing to the changing intentions for the property, there are several components requiring repairs that were not viable costs to incur in the past. Accordingly, it is necessary to do some minor renovations to improve the amenity for the occupants.

Comment

The bathrooms have been identified as one of the areas where improvements will have the biggest impact on the overall quality of the property. Given that the property is occupied, it is difficult to get too many trades involved at once, so it is proposed that renovations are piecemeal to reduce the impact on the occupants as much as possible, whilst aiming to materially improve the property overall.

Purpose of Report

- Executive Decision Legislative Requirement

Summary

For Council to consider and endorse the disposal of the cricket wicket roller and mower currently used by the Narembeen Cricket Club for the maintenance of the cricket pitch to the club for their ongoing maintenance and use.

Background

Per the recently prepared Memorandum of Understanding (MOU) between the Shire of Narembeen and the Narembeen Cricket Club, the club's ongoing responsibilities will include (per section 4.2.1) the responsibility and maintenance of the mower and roller.

The mower and roller are currently owned and maintained by Council for the exclusive use by the cricket club for the maintenance of the cricket pitch.

Comment

The mower is below Council's capitalisation threshold, so no information is available regarding its cost. The Metay 2000 Roller cost Council \$22,500 in 2005 and is worth a few thousand dollars if sold as is.

The market value of the proposed disposal is assumed to be less than \$5,000.00
