- Life Member of The Fencepost IRIS BRISTOW -

Vale Nancy Johnstone

Saddened to hear the news recently of the passing of Nancy Johnstone back in her home country New Zealand.

Nancy and husband Barry came to Narembeen in 1993, originally working in a shearing team, Nancy as a roustabout and Barry a shearer, which they did for a number of years. Nancy finished her working life in Narembeen at the Hospital, where for about 10 years she was employed as a domestic worker. She was not only a very popular staff member but became a friend to everyone, not just staff but also patients and visitors as well.

A feature of their life in Narembeen was them hosting a New Year's party, serving food based on a New Zealand Hangi. Anyone who was fortunate to attend one of these occasions can vouch the atmosphere was great and the food (although not a traditional Hangi) was cooked to perfection (tasty, tender and juicy).

Nancy and Barry returned to New Zealand in 2013 to be closer to family and undertook seasonal work of fruit picking which allowed them to travel to Phuket quite regularly (a place Nancy enjoyed immensely).

In 2018 Barry contacted a few of Nancy's friends, inviting them to travel to Phuket as a surprise to celebrate her 60th birthday. And what a surprise it was for her, our dear little Maori friend was totally gobsmacked, letting out a few expletives, which started a week of fun filled activities with ex Narembeen friends, along with family and friends from New Zealand.

Our thanks to Barry for inviting us to celebrate Nancy's milestone birthday, one we will all remember for a long time to come. Terri and Eric, Teresa and Arthur, Pat and Spook, Sylvia and Alan.

Over the last few months Nancy was not well and sadly on 27th May we received a phone call from Barry informing us of her passing. Our thoughts and prayers are with you Barry, friends and families.

RIP dear Nancy – you will be greatly missed by your Aussie mates

We also extend deepest sympathy to the Nelson family of Brookton on the passing of George Nelson. George was in Narembeen back in the early eighties working for Wesfarmers. George was very involved in all sporting groups within our town, and reading his obituaries George also continued this in Brookton for many years. RIP George.

Our sympathy to Ian and Louise Ball and family on the loss of Ian's brother, Ken. Ken was a life member of the Swan Districts Football Club. His funeral will be held at Swan Districts today (Wednesday 26th July) at 3pm.

Damaged Signs

Shire staff recently received a report of several road and advanced warning signs being damaged in the Coverley, Yeomans, Wogarl and Muntadgin Roads area. All these signs will have to be replaced at a substantial cost, which in the end is a cost to you the ratepayers of the Shire.

If community members see people damaging signs, they are encouraged to note vehicle details, if possible, and report the matter to the Shire and/or Police.

Employee House

As part of the renewal process to upgrade and maintain the Shire's housing stock, the Shire has accepted a quotation from Modular WA to building a new house at an estimated cost of \$533,000 plus additional costs for onsite services and works and minor variations. The older homes will be considered for disposal in due course as new houses are completed.

being undertaken by the Shire and that older homes will be disposed of in due course.

The house will be built in Cheetham Way on a Shire owned lot with work commencing in the factory in September and a possible completion on site by end of April 2024.

Bushfire Notice 2023/24

Council at its July 2023 meeting adopted the Bushfire Notice for the 2023/24 season and a copy is included in this week's addition of the Fence Post and can be viewed on the Shire website. Owners of property within the townsite are encouraged to read the notice as the compliance requirements for land in the townsite has changed from the previous year's requirements.

Budget Adoption

The 2023/24 budget was adopted by Council at its July meeting which will see a 5% increase in general rates and the minimum rate being raised to \$510. The budget supports the Council and community by delivering on goals and principles that have been set in the 2022-2032 Strategic Community Plan.

The 2024 annual budget includes significant own-source funded capital expenditure of \$7.16m and operational expenditure of \$7.4m with major projects itemised below.

These projects will ensure reliability of Shire operations and improve the standard of community assets and infrastructure improved and enhance our community amenities.

Shire housing design and construction	\$450,000
New Doctor's residence	\$600,000
Industrial plot development	\$250,000
Replacement of major plant assets	\$1,280,000
Swimming pool heating	\$100,000
Townsite drainage improvements	\$311,842
Churchill Street redevelopments	\$307,561
Savage Lane sealing	\$226,540
Soldiers Road, Yeomans Road & Sloss Road gravel resheeting	\$995,509
Cramphorne Road, 5km reconstruct and seal & 3.2km second coat seal	\$720,000
Narembeen-Kondinin Road, improvements to multiple sections	\$557,289
Townsite kerb replacements	\$150,000

An early payment discount of 2% will apply to assessments paid on or before 31 August 2023. Net budgeted rates for the year are \$2,030,419. The Shire continues to be predominantly grant-funded with rate comprising a little less than a third of total budgeted revenue.

Disposal Joint Venture Housing

Council has agreed to dispose of the Shire's interest in the joint venture houses, located in Currall and Doreen Streets, to the Department of Communities. As the Shire only has a minor interest in the joint venture, this sale is only expected to return approximately \$150,000 to the Shire whilst freeing up staff from the responsibility of managing these properties.

Waiving of Fees

As part of providing assistance to the community Council has agreed to waive caravan park chalet fees for the Narembeen Homes for the Aged whilst they undertake renovations at their properties in Gum Tree Place. It has also agreed to waive the lease fees at 1/8 Churchill Street to WACHS to allow its staff member, who provides an important service to the senior and aged residents of the Shire, to retain an office in the main street of town.

RECRUITMENT OF DOCTOR FOR NAREMBEEN

I am pleased to advise the community that Council at its meeting last week moved one step closer to securing a Medical Practitioner for Narembeen that will include providing a service to the local hospital (on call and admissions) as well as a number of additional services through engagement with Allied Health and visiting health services.

Council accepted the tender proposal from Livingston Medical and authorised the Shire President and Acting CEO to negotiate the terms of the agreement and potential commencement date. The next step in the process is a visit to Narembeen by Dr Michael and Rachel Livingston and their children, hopefully in early August 2023, before an agreement is reached and Council endorses the General Practice Agreement, potentially at the 26 September 2023 meeting.

A video about Dr Michael Livingston - Livingston Medical can be viewed at <https://vimeo.com/439886113>.

The recruitment process has been held in conjunction with Doctor Lines who has been kept informed of the process throughout.

Council made the decision to commence a recruitment process in 2022 following the decision by Doctor Lines to cease admitting and dealing with patients at the Narembeen Hospital and his commencement of a part-time service from the Medical Centre. To assist Doctor Lines remain viable in his practice until a replacement could be found Council agreed to a significant increase in the annual service fee to assist in maintaining his financial viability and to ensure a continuation of a doctor service at the Medical Centre.

Doctor Lines has indicated that upon the successful recruitment of a general practitioner he would vacate the practice in Narembeen.

We look forward to working with the Livingston's and making them feel welcome and supported in our community.

Narembeen CRC Update

Hello everyone!

We hope you all get through the cold days and keep warm!

Georgia has left for her Europe adventure and will no doubt enjoy her time abroad. We wish her safe travels and a great time and we cant' wait to hear about her trip when she will return in late August.

Morning Coffee Club

Last week Wednesday the Morning Coffee Club met for a lovely luncheon at the Narembeen Workers Hotel. Fifteen seniors played a fun story writing game and enjoyed lots of chats and laughter over a delicious meal. Thank you to everyone who came to the Morning Coffee Club and supports this CRC event — we love our monthly meetings and are always looking forward to them!

CRC Membership

CRC Membership renewal letters have gone out last week. Please don't hesitate to ask if you have any further questions or need assistance!

Graphic Design Work—August

Due to a lack of staff during the month of August, please get ALL Graphic Design requests to us by Tuesday, 1 August. Otherwise we are unable to complete them until after Tuesday 22, August. We apologise for any inconveniences this might cause and thank you for your understanding!

Story Time

This coming Friday (28th of July) the CRC has planned a fun Story Time session with a special guest! Come down to the library from 10:30am and join us for some reading, craft and play! We hope to see many little faces there!

Enjoy the rest of your week!

THE BEST GAME OF THE YEAR

Was it the best game of the year? Now as many of you would know while I like to write about all things EDFL I am a member of the Narembeen Footy Club and as such only the Hawks play on Saturday, so full disclosure and all that. However, with that in mind I walked home from footy last night wondering if I have just seen the best game of the year. I know there was the one-point Hyden win over the Rock earlier in the year and I've heard the first derby was a cracker but if they were better than this, gee they must have been good.

Bruce Rock and Narembeen have long been key parts of the Eastern Districts Football League and Saturday was perhaps the first time for about twenty years when they were both such strong flag chances. In near on perfect conditions, the game started at a cracking pace and really didn't let up. The Pies were away early as their high handball plan to move the ball through the middle of the ground caught the Hawks on the hop. Their forwards got up the ground and they beat the Hawks on the sling shot more than once.

The second term saw the home team start to work their way into it early but then get smashed on the turnover. The pace of ball movement the Pies were able to achieve and the space they were able to create in front of the footy simply seemed too much for their higher ranked opponents. A six goal to two quarter not only provided for wonderful footy but would send the Pies into the long break almost six goals in front. The Hawks would need to respond.

At the recommencement the Hawks threw the name tags around a bit and got the response that they were looking for. After getting monstered in the middle in the first half the Hawks started to get things back on par. Their big forwards started finding some space and most importantly they were getting the ball back earlier and earlier. The Pies kept attacking with Sam Collins leading a fleet of foot and committed midfield to continue to take it on, but the Hawks were starting to stop the continual handball, it was quite the contest.

While the Hawks kept the Pies scoreless in the third quarter, they were unable to really hit the scoreboard enough to reign their opponents in a significant amount. Heath Spinks was having an influence through the middle and Nick Winters was also a key at the stoppage. They just missed chances that they should have kicked.

The contest in the last quarter continued to be ferocious along the rec centre wing. The Pies kept trying to move the ball by hand and the Hawks kept getting it back. Brodie Terima was superb as the pressure came on. He was calm and beautifully balanced, having the ability to impact just when his team needed him too. Again, the Hawks couldn't kick the goals that they should have and, as happens against good sides, eventually the Pies got out and kicked away. A floating bomb from outside fifty from the well held Jack Norrish would put this one to bed.

It was a great game of footy. The teams were evenly matched, and each had their time in control and their willingness in the contest showed they both had the grunt to match it with the best. They would make a good gf match up.

However right now it seems we have a genuine race in three. The Hawks are a good side and were missing a couple of good ones yesterday. The Pies are the real deal, especially if they can get Collins more and more. Then there are the Saints, the reigning premier keep getting the job done and are experts at being at their best when it counts. Ladies and gentlemen, I do believe it is game on!

Hawks 7-9 51 Bruce Rock 11-8 74

Good Footy....

It has to start with how you do what you do. You have to start with a purpose and a process then the result tends to look after itself. The Ressies have bene working all season on a way of doing things. A way of playing that will be fun and successful. On Saturday, against a good Bruce Rock side, they were able to show that process is working and play good footy.

On a beautiful day for footy the first quarter was tough and well contested. The Ressies looked to be on top at times but the Pies responded every time that they did. The midfield battle seemed ot be between the physical strength of the Pies and the pace and foot skills of the Pies. It was good footy.

After the first change the Ressies took control. The game was almost completely played in the Ressies half and the boys would kick 3-5 and keep the Pies scoreless. Seemingly every time that the Pies were able to get the ball out of the defensive fifty, the Ressies were able to put l back in. To the credit of the Pies however they couldn't take full advantage of this dominance. They were playing well though, it was good footy.

In the second half the boys kept their standards high. Cooper Sprigg had his bets day of the year off half back and through the middle. He was able to find space with the ball in his hand and be especially damaging with every possession. Cam Hills continued a strong season, this time coming out of the back six. Hills showed the potential to be as attacking as Sprigg in the future. Good footy.

Up forward the boys had multiple options. Will Crane had perhaps his best day out for the Ressies as he found space across half forward and competed hard when the ball got turned over. In his familiar small forward role, Lindsay Brown found space and time to kick four goals in what was a strong display. Dangerous forwards make for good footy.

In the end the Ressies would win a well contested game by 48 points. They had dominated large amounts of the game. They had got the ball back earlier and earlier on the ground. They had used the ball aggressively and defended strongly when the Pies started to attack. In the end they had just played good footy.

3. Fuel pumps and depots: remove all inflammable material from all land where fuel drum ramps or dumps are located and where fuel drums, whether containing fuel or not, are stored to a distance of at least fifteen (15) metres outside the perimeter of any drum, ramp, or stack of drums.

In addition to the requirements of this Notice, you may be required to carry out further works which are considered necessary by an Authorised Officer and specified by way of a separate written notice forwarded to the address of the owner/s as shown on the Shire of Narembreen rates record for the relevant land.

TAKE NOTICE that pursuant to Section 33(4) of the Bush Fires Act 1954, where the owner and/or occupier of land fails or neglects to comply with the requisitions of this Notice within the times specified, the Shire of Narembreen may by its officers and with such servants, workmen and contractors, vehicles and machinery as the officers deem fit, enter upon the land and carry out the requisitions of this Notice which have not been complied with and pursuant to Section 33(5) of the Bush Fires Act, the amount of any costs and expenses incurred may be recovered from you as the owner and or occupier of the land.

If the requirements of this Notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

The PENALTY FOR FAILING TO COMPLY with this Notice is a fine not exceeding \$5000 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this Notice if it is not carried out by the owner and/or occupier by the date required by this Notice.

By order of the Council

Paul Sheedy

Acting Chief Executive Officer

Shire of Narembreen

Additional Bushfire Information

A. Restricted / Prohibited Burning Period

The following restricted and prohibited burning times are in place for the Shire of Narembeen.

- Restricted (Permit Required) 19th September to 31st October.
- Prohibited 1st November to 31st January.
- Restricted (Permit Required) 1st February to 15th March.

The following additional requirements for burning are also in place.

- 1st February includes grass and raked cereal stubble and header windrows of non-cereal stubble including canola and legumes.
- 1st March is header windrows and chaff dumps and cereal stubble fires.

Burning during restricted periods is allowed on Sunday's and Public Holidays with a permit.

Any questions about burning times should be directed to a Fire Control Officer or the Shire Office.

B. Harvest & Movement Bans

When Harvest Bans are instigated, they are broadcast over Radiowest and ABC radio. A harvest ban can be in two forms:

- A Restricted Movement Ban – means that vehicles are only allowed to move on paddocks to water stock.
- A Total Movement Ban – means that there is to be no movement on paddocks at all.

The Shire of Narembeen imposes an automatic Harvest Ban and Restriction of Movement of Machinery on Christmas Day and New Year's Day.

Harvest bans are gauged not only on the temperature, but also on humidity and wind velocity and are monitored using scientific methods.

Community members may call the Shire's Harvest Ban Hotline on (08) 9064 7689 which will provide advice on whether or not a harvest ban is in force.

Text message service – Community members to register their mobile number with the Shire by calling 9064 7308

Adopted Fire Behaviour Index 37 for harvest bans.

BEHIND THE GOALS

22/07/23

Narembeen Juniors 4 def Bruce Rock Juniors 1

It was a nice warm day on Saturday, a perfect day for some hockey. We were up against Bruce rock and we're excited to take the field. We had a majority of the play in the first half. We practiced what we had been taught and were making an effort to pass the ball effectively down the field. This paid off with Noah Browning scoring one goal and Jack Cusack with 3. At half time, Bruce Rock asked if we could lend them one of our bigger players to try and even the game a little bit. Big thanks to Noah Smoker for putting on the black and white for a half. This made a huge difference for Bruce Rock who got the boost they needed to get a goal. The final score was 4-1. Thanks also to Immy for stepping in as goalie and also Baylee for playing for Bruce Rock as well.

(Jess Smoker)

Narembeen Juniors 2 def Burracoppin Juniors 0 (15th July)

With many of our older children away on holidays it was a great opportunity for our younger team members, to step up against Burracoppin. With the cooperation of Burracoppin we had 18 children on the card, this included 4 minkeys in year 1 and 2. The team started well earning a short corner in the first 6 minutes, resulting in a goal by Charles. Our defence was then under pressure with excellent tackles from our newest full back Alfie and Kate. Big thanks to Dakota and Nicole for playing new positions which allowed team mates Ava, Lucas, Theo and Bryce to play well across the half back line and gave Chloe, at wing an opportunity to dribble up the line. Outstanding passing between Ava, Immy and Noah B resulted in Noah scoring in the last quarter. Ever reliant Eimar in goals saw no score from Burracoppin. It was wonderful to see the confidence of both Burracoppin and Narembeen juniors who played in Perth for Countryweek during the school holidays on display. And to see the comradery on the field where new friendships had been forged. It was a great day in the sun playing our favourite sport and an opportunity for Ollie, Neve, Sienna and Annie to play in a big kids game. Thank you to Sho Hickey for umpiring and the many junior parents who helped on the sidelines.

Narembeen Men's 0 def by Bruce Rock Men 4

On Saturday the men took on a full strength and determined Bruce Rock team who took it up to us right from the first whistle. The Rock scored early and from then on it was a tough game for our boys to get back on top. Bruce Rock played a fast brand of open hockey with high dangerous forwards always putting our backs under pressure, particularly with a few changes from last week forcing a number of positional adjustments it took a while for the new look backline to gel.

As always we fought hard all day and showed glimpses of our best whilst Bruce Rock probably played their best game for the season. The third quarter saw us with at least 6 short corners putting pressure on the Rock defenders but unfortunately we were unable to capitalise on these opportunities. Our midfield led as usual by Ben and Jordan continued to push forward making chances, but just as we seemed to be making inroads the Rock seemed to strike with a fast paced counter attack.

In the end we went down 4-0 in our toughest game of the season. Thanks to Mads Noack for filling in as goalie at short notice and putting on a stellar game. Well done to Noah Smoker for making his debut and thanks to the Fidge brothers for helping out the last 2 games as well.

Players choice went to Ben Latham.

Taking on Bruce Rock is always a tough challenge, whether it be a psychological challenge or physical we love to get out and have a good game together. This week was no different. With a 15 strong side we went out from the whistle, taking this weeks training practice and putting it into action on the field. Passing and trapping were on point this week. Rotations were regular and seamless as everyone that rotates went straight to position and played their positions extremely well. This week we played as a well oiled team, we were 15 strong and it was a pleasure to watch! Again Bonnie Taylor and Deakan Miller got that ball into the back of the net leading us to a 2-0 win. Congratulations to Janelle de Gouveia on her players choice award this week, with no questions, she can work her magic in attack and defence.

Narembeen A Grade 2 def by Bruce Rock A Grade 3

Playing Bruce Rock this weekend was always going to be a tough challenge, whether it be physically or mentally. Boy, did this game not disappoint. Unfortunately Bruce Rock ended up victorious, winning 3-2, but we walked away taking a lot out of the game. Hockey is as much a mental game as it is a physical one and coming into finals we need to make sure both are fine tuned!

The two goals we did score from Mikaela and Hannah were proof of strong training and persistence in our play. Our fitness is looking great. However, we didn't manage to push through to the end, Bruce Rock changed the momentum of the game scoring three goals in quick succession and we just couldn't find the back of the goals. Bruce Rock maintained their game and didn't let up, and it paid off for them.

The highs and lows of hockey were prominent in this game and we learnt a lot from it, certain we will come back even stronger next week.

Time to reset for another strong training on Thursday and get ready for our last few games

Narembeen Golf

There is a golf adage- the more you play the better you get. It is often the excuse deluded golfers give to their wives for going to golf again!

However, for one golfer it certainly rings true. Darien Pascoe has had a frustrating year but it all came good last Wednesday when she romped home with 40pts, 26 of which she got on the back nine! It was so good to watch, as her lessons are really working. As it was a Combined stableford, Joan Cusack was her lucky partner and they won with 71pts from Maxine Miolini and Miranda Noack 63. Julie

Miller won NP #2 and Joan LP #11

However, for one man it is the number of busy bees he attends that gave him the edge on Sunday. Yes, Karl Browning actually played and came in with a +5. A ripper score Karl to win Hendy Cowan's trophy. Sam Bald is still on a roll with +4, as is our beloved Patron, Mic Toovey on +3 as well as Dave Campbell. Ben Hunter was +2 and Dave Pollard even. It was a great field with Greg Vaughan wagging the tale. The Long Dong #1 went to Tim Cusack, Dave Campbell Best 2nd #8 and Best 3rd #11 and Mitch Miolini Best 2nd #18. A few handicaps got a tweak downwards which is great. There did seem to be some hilarious discussion around ferrets which only Anita was privy to!

The women played a stroke under magnificent conditions but still couldn't do it justice. Miranda won with a 75nett from Joan Cusack 78. We didn't have pinnies as a few of the women who had had coaching earlier had a separate wack to practise their hints.

Many thanks to Maxine Miolini for the sandwiches again. The food is always so welcome after a round. It helps the wine go down.

Don't forget the following events-Bruce Rock , Hyden and Nungarin days this weekend. Grab a partner as they supported us last week.

ISSUE 11/23 July 24 2023

WEEK 2 QUOTE

We work in a profession where change is ongoing, and the ability to change, improve, accept new ideas and use innovative strategies is the key to successful outcomes. People in general, however, can find change and the acceptance of change difficult. We are living in a changing world and our school will continue to strive to prepare our students for it.

Preparing Students for a Changing World

Welcome back to school for the second half of 2023. Life for me personally at school is certainly easier as I now have a science room to teach in! The upgrade to the room is completed, bar some new furniture which will be here soon and additional shelving for the chemical store. It is so good to have the room back and not teach out of other areas. The room itself is terrific, the space will make working through investigations so much easier, and all groups are doing Chemistry this term.

NAPLAN 2023 AND IT HAS CHANGED ... WE ALWAYS HAVE CHANGE

NAPLAN is back and as parents of Year 3, 5, 7 & 9 students could see in the reports, there are **major changes!** There are no longer bands, and NAPLAN scores, instead the students result fits into one of four areas; **exceeding, strong, developing or needs additional support.** On the reports sent home, there was also a summary of the skills typically demonstrated by a student who is 'proficient' at that year level. We no longer are given the National Minimum Standard but the individual test reports for the Year 3, 5 & 7 students did have the individual class means (average) and Australian National Means. The Year 9 tests only have the Australian National Mean as there were less than ten in the class so there is no class mean given, so no comparisons can be made.

Our Year 3 class mean (average) was **WELL ABOVE THE AUSTRALIAN MEAN (AVERAGE) in NUMERACY, READING, GRAMMAR AND PUNCTUATION AND SPELLING and ABOVE THE AUSTRALIAN MEAN in WRITING** (but not well above like in the other four).

Our Year 5 class mean (average) was **WELL ABOVE THE AUSTRALIAN MEAN (AVERAGE) in NUMERACY, READING, GRAMMAR AND PUNCTUATION AND SPELLING and ABOVE THE AUSTRALIAN MEAN in WRITING** (but not well above like in the other four).

Our Year 7 class mean (average) was **ABOVE THE AUSTRALIAN MEAN (AVERAGE) in NUMERACY, GRAMMAR AND PUNCTUATION AND SPELLING, EQUAL TO THE AUSTRALIAN MEAN in WRITING and VERY SLIGHTLY BELOW THE AUSTRALIAN MEAN (AVERAGE) IN READING.**

WHAT OUR RESULTS LOOK LIKE: GOOD 😊 WE THINK!

We had 41 students sit five tests each, which is a total of 205 tests, of which we had:

44 EXCEEDING results = 21.4% of the test results

114 STRONG results = 55.6% of the test results

41 DEVELOPING results = 20% of the test results

6 NEEDS ADDITIONAL SUPPORT results = 2.9% of the test results

11 students (27% of the student population tested) are exceeding in two or more areas of testing

15 students (37% of the student population tested) are exceeding in at least one area of testing

If a student is Exceeding or Strong then a student is said to have met the proficiency.

ASSEMBLY

Thursday June 29 2023 saw our Kindy students take on John Williamsons 'Home Among the Gum Trees' and what a rendition it was. Led by the enthusiastic Freya Fagan, we had 16 happy girls and boys singing their little hearts out. The Kindy item was followed by the High School class report that will be improved upon in the future. The students in Years 7 - 10 are doing a lot of work in many subjects but more time must be put into making the report a true reflection of the high standards we expect of them.

HONOUR CERTIFICATE WINNERS:

Student	Year	Student	Year
Freya Fagan	Kindergarten	Rylan Comley	Two
Addy Taylor	Kindergarten	Avayah Cowan	Three
Thomas Miolini	Kindergarten	Harrison Thorn x 2	Three
Roman Starceovich	Pre-primary	Benji Mortimore	Four
Blair Yandle	Pre-primary	Kobi Lyon x 2	Five
Neve Cowan	One	Imogen Hickey	Five
Erin Rojas x 2	One	Chase O'Neill	Six
Dejane' de Gouveia	One	Noah Browning	Seven
Peyton Taylor	One	Chris Kelly	Seven
Violet Farrell	One	Elisa Comley	Eight
Jye Parsons	Two	Mia Parsons	Eight
Elkie Bald	Two	Bowdan Cole	Nine
Oscar Morrone	Two	Angela Andrews	Nine
Oliver Lynch	Two		

AUSSIE OF THE MONTH: Noah Smoker:

Noah is the kind of student that consistently prioritises the needs of his peers before his own. He is incredibly thoughtful, kind, and considerate and just an all-round 'great-bloke'. He goes about his business in a quiet manner, never seeking acknowledgment for his actions, offering to assist those around him with any task. You set an exceptional example of what it means to be a good person, Noah. You make Narembeen District High School an even warmer, kinder place just by being in it. You are truly deserving of this award; we are so proud of the individual you are. Congratulations.

**THANK YOU, EAST NAREMBEEN SEVENTH DAY ADVENTIST CHURCH**

On behalf of the school community, I would like to say a huge thank you to the SDA Church of East Narembeen for their donation of \$1000 to enable us to provide equity to our students throughout the year. This will be put to great use to allow these students to have the resources that they otherwise do not have for their schooling. I would also like to thank **Mrs Adelle Ashmore**, one of our highly valued Education Assistants, for her assistance in gaining this valuable donation to our school.

THANK YOU TO BRENDAN AND ANITA PARSONS AND PETE AND FELICITY COWAN FOR THEIR DONATIONS THROUGH THE GO NAREMBEEN SEEDING PROGRAM

On behalf of the school community, I would like to thank the **PARSONS AND COWAN** families for their donation of \$1,300 through the Go Narembeen Seeding Program. These donations through Go Narembeen continue to fund IT and additional resources for our students and we are so very grateful to the families that think of us when allocating their funds. The **GO NAREMBEEN** program is a wonderful asset to our town with many amazing volunteers who give up their time and equipment to ensure that not only the school, but other clubs and groups can receive funds. Thank you again to the Parsons and Cowan families for their efforts for our school.

THANK YOU TO THE DYLAN AND ANITA COLE FOR THEIR DONATION TO OUR P & C ASSOCIATION THROUGH THE GO NAREMBEEN SEEDING PROGRAM

On behalf of the school community, I would like to thank the Cole family for their donation of **\$2445.50** to our P & C Association. Dylan and Anita have donated previously and their commitment to ensuring this group has the funds it needs to assist the school is acknowledged again. The P & C always put their funds to good use for our students. **Thank you again Dylan and Anita**, we greatly appreciate your efforts for Go Narembeen which resulted in this donation.

THANK YOU TODD FEDERICI

Huge thanks to Todd Federici and Great Eastern Freightlines for arranging the free transport of our new flag poles from Perth to Narembeen at the end of Term 2. Your assistance is greatly appreciated.

PRIMARY FOOTBALL CARNIVAL

On Wednesday June 28 2023, our Year 4 – 6 students participated in the annual Dockers Shield football carnival. Once again, we came home with a shield, with one of our girls' teams winning the shield, while one of our boys teams was runner-up. All communication from those attending was that our students were well behaved and displayed great sportsmanship throughout the day, and that is the most important part, the win was a bonus! Thanks to our umpires, **Cody Duncan, Tim Cusack, Wayne Hooper and Sam Bald**, and parent coach, **Michael Wanless**. Thanks also to **Hannah, Matthew and Georgia** for coaching a team each.

Our winners are certainly grinners 😊. The full team is pictured below, with coach Miss Hannah Chitty and the Dockers Shield they won 😊.

**OUR WINNING TEAM:**

Back row: Savannah Whitley-Sherwood, Rhienna Parsons, Macy Cole & Imogen Hickey
Front row: Paige Parsons, Lyla Hayter & Daisy Hooper (Absent: Nellie Collard)

CONGRATULATIONS CHRISTOPHER KELLY

Well done and congratulations to Christopher Kelly in Year 7 at Narembeen DHS on getting through to the first round of selections for the State Boys 13's Hockey team. Christopher, like Noah on his journey, has further cuts to get through, but we are very proud of how far he has already made it. He is already a winner in our eyes and know he has worked hard to get where he is now. Great job Chris!

CONGRATULATIONS NOAH BROWNING AND DEAKAN MILLER

More sporting congratulations as both Noah Browning and Deakan Miller were picked last term in the inaugural Wheatbelt Thundersticks hockey squad. Whatever this entails, and it will mean travel and hard work, we wish them the best of luck.

Congratulations!

GOODBYE AND THANK YOU MARIA HALL

Mrs Maria Hall, who has been our gardener for 12 years, has **officially retired from her position**. Maria will be greatly missed as she certainly brought our gardens back to life and has left us with everything looking great. She has been a tireless worker in our grounds, and we have been very lucky to have her skills and expertise for as long as we have. We hope that she enjoys the next chapter of her life and thank her for all of her hard work over the years.

WELCOME MISS BETH LOADER

We welcome to the Narembeen community **Miss Beth Loader** and even more exciting, we welcome her to our school staff as an Education Assistant (Special Needs). Beth is an experienced Education Assistant who has been working at Riverton Education Support Centre. We hope she enjoys both our community and the school and we look forward to working with her to continue to achieve the best outcomes for our students. Beth does have a reason for coming to our wonderful community, she is partner to Nathan Sprigg, ex-student, farmer and another all round good guy 😊.

Narembeen District High School SOCK Week Pedal Party

We had 54 excited kids ready for a fun day to learn about bike safety and how to Stop, Look, Listen and Think when crossing the road. The kids had a ball decorating their bikes and scooters, personalising number plates, making traffic light biscuits and cooking bike wheel pizzas. They then hit the track on their bikes and scooters with eyes on the road for animals crossing, a water crossing, traffic lights, boom gates and a bubbly car-wash. The kids were encouraged to stop and enjoy the scenery or when they got tired, to stay the night! We then had Izzy visit to see if we remembered the rules about crossing the road. We're happy to report, she was very impressed. The kids were then awarded their licence for displaying safe riding.

S.O.C.K WEEK

June 26 - 30 saw us take part in several activities as part of the annual S.O.C.K Week initiative. The CRC have been running S.O.C.K Week for many years now and each year it brings something different to our students. We love the messages delivered and we hope that for every year we are a part of this, it's another message instilled into our students so that they have the knowledge they need to keep safe on and around our roads.

EXPRESSION OF INTEREST

We are looking for a new **Gardener/Handyperson** at Narembeen District High School. You will be responsible for gardening, grounds and facility management to ensure a safe and clean school environment. Maintain and present the school grounds and gardens in an attractive, clean and tidy condition, while providing a suitable growing environment. Perform minor repairs and maintenance as requested, as well as other Gardener/Handyperson duties in accordance with the Department of Education policies and guidelines.

You will be required to work independently, with the ability to identify and recognise work that is required to be completed. You should also be well organised, have attention to detail, a positive outlook and be part of the Narembeen DHS team.

Mrs Amanda Hall
 Manager Corporate Services
