## SO, WHAT IS IT YOU RECKON? - Craig Gmeiner

Narembeen is really no different than any other small country town. Small school, one main street, the pool is the centre during the summer and the oval the heartbeat in the winter. Not a massive population. When it's a good year you can play new Landcruiser bingo in February and when it hasn't been there's a few less people in the pub. It's not that different to anywhere else or is it.

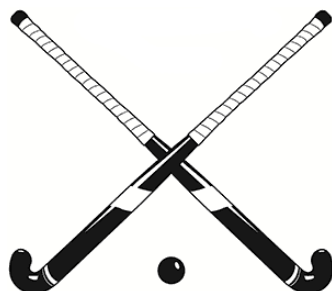

For the second year in a row seven of the eight senior Narembeen winter sport teams will play off in their respective grand finals. When you factor in the junior hockey and at least one Narem darts team doing the same that's quite a list. Last year they won every gf they were in, could they do the same next weekend?

This recent success isn't just a flash in the pan. The Netball Club are a phenomenon. The club has won something like 24 of the last 25 A1 premierships, the history of the lower grades is littered with success as well. There was a period in the early 2000s where the league footy team played in seven gfs in a row, and they have won five of the last fifteen Ressies flags. The hockey club always features in the post season as well. Indeed, back in 2007 the community won everything except for the cricket. So, what is it?

To be honest I have no idea. Maybe it's the pride in the community that is instilled in the kids as they grow up. Maybe it is an innate competitiveness and determination to compete that each clubs seems to have, it is rare for a Narem side of anything to forfeit. Maybe it's the way that all clubs tend to treat failure very similar to success. In my twenty-three years in town, I have seen that losing finals are always celebrated as eagerly as premierships. A sign while they're competitive they also understand that it is just a game in the end. There are more important things.

Whatever the reason, and however an individual sees it, it is something of which the community deserves to be very proud. For sport, while it isn't for everyone and that's ok, and sporting success can give people a sense of belonging and pride that is hard to find in other places. Plus, it's fun.

So, whatever the reason is the fact is that the sporting culture of Narembeen is something of which all involved should be very proud. Proud because it is firstly a record that is very hard to achieve. Secondly because such sporting success should let all connected, even in the smallest way, feel very good about their town. Proud finally because it is not only extraordinary, but it is an awful lot of fun. Good luck to all teams next weekend.

## BEHIND THE GOALS

26/08/23

### Narembeen 2 (3 shoot outs) def Bruce Rock 2 (2 shoot outs)

Coming off a loss in the Semi the Narembeen team were desperate to regain our spot in the grand final after finishing second on the ladder at the end of the season. Saturday saw us take on Bruce Rock in Bruce Rock (possible home ground advantage???) in very trying conditions; being August we were expecting at least some coolish, wintery conditions, but to make the Pre-lim even more testing, the thermometer hit 29C, meaning on the turf it was around 33/34C. Before going into details of the game, all I can say is that it was SO HOT, but every member of our team gave it their all out on the field, and were physically and mentally done by the final whistle... Along with this the A-grade team has been plagued by injuries and unavailability of players due to personal and other sporting commitments so has relied heavily upon a group of dedicated B-graders to fill our team each week including for the Prelim; to comply with EDHA bylaws we again called upon these girls to field a side. To ensure these girls would be eligible to play their B-grade grand final, we could not list them in our top 8 so called upon Caz Robinson and Sarah Latham to help us and the B-grade girls out - Thank you!! The high number of players that suffered from heat stroke after the game is testament to our girls' unwavering devotion to their team and the game.

Bruce Rock came out strong in the first quarter and scored a neat goal to get themselves on to the scoreboard. Throughout the quarter, Narembeen did not drop their intensity and kept the score at 1-0 at quarter time. After an encouraging 2min chat from coach Emma, calling on us to use the ball instead of running (and wearing ourselves out) we came back onto the field with the coach's words etched in our minds. Passing through the centre to bring the ball around and down into our attacking D saw Georgia Miller score her own tidy goal (showing us why she is Association lead goal scorer and tied runner-up association Fairest and Best). Within 5 minutes we were awarded a short corner which saw Maddie Della Vedova (tied runner-up association Fairest and Best) score our second goal. By the half time whistle the score saw us leading 2-1. At the half time huddle, although hot and beginning to tire, we were eager to get back out there, having to be reminded there was a 5 minute break (not 2 mins) and to use the time to find some shade/cool and more water.

The first few minutes of the third quarter saw some powerful plays directly into our D, but their goalie managed to defend the scoring shots. Following this the heat and resulting heat fatigue set in and although we were relentless in our game it was apparent that all 22 players on the turf were feeling it. The last part of the third quarter and fourth quarter resembled a ping pong game. We were so desperate to score, to seal the deal and although tenacious, heartbreakingly Bruce Rock scored with only 48 secs left on the clock. When we had played our hearts out and given everything, this was devastating. But, in true Narembeen spirit we gritted our teeth and got back out there for another grueling 15 minutes of time-on. And, even after this the scores remained tied at the end of the time-on this meaning one-on-ones with the goalies (8 secs to score); we kept our heads high and remained unshakeable.

A huge mention to Maddi Noack who as our illustrious goalie took on this massive task of defending against Bruce Rock's top 5 in the one-on-ones. I can only imagine the 'self talk' required to psych herself up to face these players with the whole stadium looking on. Emma, Georgia, Gina, Maddie and Kylee took on Bruce Rock's goalie, playing close attention to her strategies for defending the goals and optimising on any deflection to score if their first shots did not hit the backboard. After the first round of one-on-ones we were still even, meaning we had to start another round of one-on-ones, but this time it was one-for-one. Bruce Rock (Jo Muntz) scored off their first attempt, followed by Emma who stepped up and skillfully raised the ball and slotted it past their goalie. Maddi then faced Bruce Rock's second attempt, after saving and deflecting their first shot, Bruce Rock sent it back towards her, Maddi booted it, the 8 seconds was up and after 60 minutes of game play, 15 minutes of time on and 13 one-on-ones WE WERE VICTORIOUS & WE MADE THE GRAND FINAL!!

Well done girls and see you at the Grandy on Saturday - forecast looks a whole lot better!!

Team: Emma Miolini, Georgia Miller, Felicity Cowan, Hannah Kerse, Gina Cheetham, Maddie Della Vedova, Kim Thorn, Kylee Slade, Bonnie Taylor, Maddi Noack, Fabienne Gracia, Sarah Latham, Kara Morrone, Caroline Robinson (Felicity Cowan)

**Naremben Juniors 8 def Merredin Juniors 0**

We were all a little bit nervous (and hot) rocking up to hockey on Saturday, but thankfully we were able to turn those nerves into a great game of hockey! We've had some interesting and close games when versing Merredin over the season. As they have struggled for numbers we have lent them some strong players every time we have played against them which has made our games more even, unfortunately, as we enter finals we were no longer able to lend players so we were feeling reasonably good about our chances. A quick goal in the first few minutes, a nice deflection onto the goalies pads from Kobi (our expert winger) which was then skilfully scooped up by Aden and knocked into the goals, saw us with a good start. Merredin defence, although caught unaware at first, quickly regrouped and worked hard throughout the first quarter to keep the score line to 1-0.

Our second quarter saw a well executed short corner (which had some Burra a graders asking me how we'd managed to teach our juniors 'set short corner' plays) push out from Jack, to Noah, pass to Jack on the post and in it went. Half time hit with a 2-0 score line.

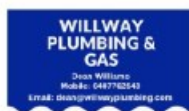

The next two quarters were a flurry of goals for Naremben. Two to Baylee O'Neill, one of which, she was on the post and able to stop a ripping ball from Noah (a feat in itself because that ball was flying!), she then skilfully manoeuvred the ball around her body and into the goals. Another for Aden, a bouncy pass from his brother hit neatly into the goal from a tight angle on the baseline. One for Noah who took matters into his own hands, dribbled the ball in and had a cracking shot from the top of the d. Another ripping goal for Jack and a neat little goal for Kate who was well positioned to grab the ball after it deflected off the goalies pads and she chipped it in through the goalies legs.

While the goals were all amazing to watch, it was the teamwork over the field that was the real highlight. All players working together to support each other and provide options all over the field. Big thanks to Charles and Ava who put on the goalie gear. It was also really good to have Noah Browning back to support us from the sidelines.

The final score line was 8 nil. Big congrats to Merredin who pushed hard right until the final whistle, I'm sure they will become a force to be reckoned with in future years.

Good luck to all Naremben teams playing grand finals next week, the Naremben junior hockey players are super excited.

(Jess Smoker)

**Narembeen Men's 3 def Kellerberrin Men's 1 (Semi Final - 19th Aug)**

Saturday the 19th saw the Hawks take on Kellerberrin in the semi final on the turf in Merredin. The game was the last for the day and played under lights, with a full contingent of players and supporters present.

The first half was a hard fought battle with both teams bringing solid pressure and some great passages of play. Nathan Sprigg opened the account for the Hawks late in the first quarter. Keller retaliated midway through the second, managing to convert their only short corner to a goal to bring the score 1-1 leading into half time.

The 3rd quarter saw some favourable repeat attacks on goals from the Hawks which really got the crowd revved up, Jordan Sprigg managing to score following a short corner.

The game was rounded out with Jordan managing to score once more in the 4th, making the final tally 3-1 to Narembeen, and putting the Hawks straight through to the grand final!

Notable mention goes to Wes Taylor who picked up players choice award having a ripper game at full back. He intercepted every ball that came his way and even managed a few cheeky runs up the ground which is great to see!

## THE CASE FOR THE HAWKS

It's been fourteen years since the Narembeen Footy Club greeted the judges. The second most successful club in the competition is in the midst of the second longest flag drought currently in the competition. To the credit of some determined locals and some handy inclusions over the last three seasons the club has once again become a force in the EDFL after paying their dues by working through some tough years. They have been on top of the ladder throughout the season and displayed an admirable level of belief in winning a cracking Second Semi, there is certainly a case for the Hawks.

The potential for Narembeen to play three genuine marking targets in front of the footy will stretch the Saints, especially in the close confines of the Hyden oval. The fact that one decent clearance from anywhere through the middle of the ground can put a team within range makes guys that can catch it invaluable. The third one may be the one that could stretch the Saints. Tim Whitwell will get one of them, maybe Reagan Marsh or Lachy Mouritz gets the other one and then what to do about the third one. Do you keep Mouritz back there and limit his possible influence through the middle, or do you throw Jordan Hayden back like they did last week. It will be tough.

The midfield is always an intriguing battle and will be the case again on Sunday. The Hawks can get on top here with their mixture of hardness and genuine class. If they can win contested footy through the middle off the back and release their classy ball users, they will be hard to stop. This group also has shown the ability to work hard enough to get the ball back really early on the ground which creates the opportunity for repeat forward fifty entries. Simply put they work hard when they don't have it and that is hard to counter, especially on a small ground.

Down back the Hawks seem to have answers. Ron Clarke has beaten Cam James before, and Ben Gill is perhaps the perfect match up for Issac Haslam. Jay Gill has the pace and reach to go with Jordan Hayden and could also be a possible match up for Alex James when he goes forward. Then of course there is the swingman in Mac Cole who could also go back there, as he did in the second semi, to plug a hole that one of the class Hyden marking forward might create. Then of course all these match ups are interchangeable as is the flexibility of this line for Narembeen.

Narembeen has depth, their nineteenth man will contribute, plus they're fit. They will benefit from the week off and not having played on what was a warm day last Sunday. Then there is the undeniable motivation for a lot of the playing group that it is simply their turn. A lot on this list were there as younger men when the club was going through some really dark times. It would have been easy to jump off, but they stayed on, they matured as a collective and righted the ship to get themselves a deserved shot at a flag. This feeling will power many of them when it gets tough. There is definitely a case to be made for the Hawks.

## NAREMBEEN GOLF CLUB

GOOD LUCK IN THE GRANDFINALS THIS WEEKEND TO THE FOOTY, HOCKEY AND NETBALL CLUBS

On Wednesday the Ladies played the Championship playoffs. The A Grade Ladies was played over 36 holes with Miranda Noack defeating Noela Cole on the 34<sup>th</sup> hole. A great game of golf with a par or birdie needed to win a hole. The B Grade was played over 18 holes with Kyla Padfield defeating Darien Pascoe on the 18<sup>th</sup> hole. Great golf from everyone and it was so good to see so many spectators following the groups and staying at the Club house to congratulate our champions for 2023.

On Thursday the men will be playing their Championships. In the A Grade Mike Currie will play Damon Hayter. In the B Grade Scott Stirrat will play Adam Miolini and the C Grade Aaron Lyon will play Jeremy Padfield. Good luck to all. There will be scroungers in the afternoon. If you are not playing come along and support those playing off.

On Sunday due to the fixture change the Men played a Sunday Funday with a 3 stick 4BBB. A popular event with 20 turning up to test their golfing skills with 3 sticks. Our new golfer Andy Hardham was expecting good luck when a bird decided to drop his business from a great height fair on Poms leg. The good luck was not to be with Pom, when he accidentally?? broke his stick on a tree (trust me that is what I was told - and I can only report on what I'm told) Uh oh now down to 2 sticks. Not a good day to break a stick.

Winners of the day were John Currie and Karl Browning with 44 points (wow, what would it have been if they had all their sticks).

Runners Up were Tim Cusack and Brendo Maher with 43 points on a countback from Pete Cowan and Ben Hunter.

Pinnies went to PC and Rosie longest drive on 1, Best second number 6 Chunda and KB, Nearest the pin number 15 Bardy and Jock and best 3<sup>rd</sup> number 10 Tickets and Brendo

This Sunday will be sweepstakes for anyone not going to the footy grand final.

5 Ladies played a par with Miranda Noack having a whopping +8. Well done Miranda. Runner up was Kellie Mortimore who was square.
